

SBS Robotics Presents a New Season of **FIRST LEGO League Junior!**

For St. Bernard School Students in Grades 1-4

Tuesdays 6:30-7:30pm

January 16th to April 24th (except days when school is closed)

Do you like to build with LEGO? Are you interested in how things work? FIRST LEGO League Jr. is a fun and exciting introduction to robotics and engineering. Guided by their coaches, teams of 2 to 6 students build and program a motorized model and a poster that explains what they've learned about engineering, teamwork and the season's theme. This year's theme – [Aqua Adventure](#) – explores the many ways we use and treat water in our community.

Students will work with their coaches for 12 weeks in short, one-hour sessions. At the end of their season, the last evening (April 24th) will be a Showcase Event for families and friends. Teams will showcase their completed models and displays, and we'll celebrate their success. Team members from our older robotics program will also be present with a demonstration of robotics fun from the FIRST LEGO League program, which many of our Juniors bridge into.

We need coaches to mentor our teams! If you are interested, please let Mrs. Lavoie know as soon as possible. The number of students we can accept into the program depends on how many coaches we have. This year, coaching could not be easier. A concise, step-by-step manual for team sessions has been provided by FIRST, and we'll review those materials before our season begins.

* Please Note: All coaches must be Virtus trained in order to help with this program

Coaches only meeting – Tuesday, January 9th at 6:30pm in the Media Center

First regular session (for kids and coaches) – January 16th at 6:30pm

2018 FIRST LEGO League Junior Information Sheet

Student's Name: _____ Current Grade: _____

Home Address: _____

Home Phone Number: _____ Work Phone: _____

Mom's Cell Phone: _____ Dad's Cell Phone: _____

E-mail Address: _____

Emergency Contact (if parents cannot be reached): _____

Phone Number: _____ Relationship: _____

The FIRST LEGO League Junior fee is \$40 and includes all needed materials/supplies and a t-shirt for our Robotics Showcase Event. T-shirt size, please circle (YS, YM, YL, YXL, AS, AM, AL)

Payment should be submitted with this form:

___ Check (#_____) ___ Cash

Is there anything special we need to know about your child? (For example, allergies or medical conditions that might affect him/her during team meetings or competitions.)

Parents, would you like to be trained as an FLL coach/mentor?
