

# You Can Support St. Bernards by Buying Gift Cards

As the holidays get closer, we are launching our second Gift Card Sale. Cards are available for many popular stores and restaurants in the area. This has been a successful fund-raiser because:

- The profit percentage on most of the cards is very high. Some cards provide us with up to 16% of the face value.
- People can lend their support just by purchasing gift cards to their favorite stores and restaurants.

Please consider buying cards:

- For upcoming birthdays and celebrations
- For getting a head-start on Christmas gifts
- For yourself. Buy yourself a gift card to your favorite store.

It's easy Just fill out the order form and return it to school. **The deadline is November 27** . Please make your check payable to "St. Bernard Church". Cards will be available during the week of December 4.

Please note the column on the order form that says "% to St. Bernards". This is the portion of the sales that will go to St. Bernard. This can be a big boost to our school.
