

October 3, 2018

Good afternoon SBS Parents!

As part of the SBS community, each family is required to complete 25 hours of volunteer time participating in or leading school supported activities. This time should be tracked in the school tracking system "Track It Forward".

Here are some examples of items that can count towards your annual 25-hour volunteer requirement:

- Auction activities
- Santa breakfast
- Open House
- PTA Meetings
- Technology Board
- Grand Parents Day
- School Board (must be nominated)
- Virtus Training
- Advancement Committee
- Golf Tournament
- Lunch/Recess Duty
- Book Fairs
- Library Activities (during school)
- Chaperoning Class Field Trips (maximum of 6 hours for any individual trip)

Please note that volunteer activities in support of our churches are appreciated but they do not count towards school volunteer hours, (ex.: CCD classes, parish council meetings, etc.).

If you have any questions or are concerned about whether an activity qualifies, please feel free to contact a PTA member or the school office.

Thank you,

SBS PTA

P.S. – We will be having an auction meeting Thursday, 10/11/18 at 6:00 PM at the school. This is one of our biggest fundraising events where lots of volunteers are needed. Please stop by to see us! We would love to have your help! ♥
