Spring is finally just around the corner!

Oh how we all are ready for spring! With spring truly almost here, we as a class look forward to more outside time and continuing to work hard on our reading of sight words, writing our names, and kicking off our new two month big unit on Dr. Seuss! We will be showcasing all of our work from our Dr. Seuss unit at our Family Night at the beginning of May. Stay tuned for more information to come!

This month we will also be popping in a few special projects around the holidays that fall in March this year, St. Patrick's Day and Easter!

St. Bernard School is currently enrolling for the 2024-2025 school year. Little Angels' graduates receive a \$1,000 credit their first year! If you would like to set a tour or ask some questions please call them at (860) 745-5275.

The Reading Corner

Find out some of the books we're reading each month as a class in the newsletter to also read at home or have discussions with your child about. Reading is so important for children at this age and we encourage you to read to them daily.

Parent Corner

Easter is right around the corner. We find the children have a lot of questions about this holiday and because of the sensitive nature of this holiday we thought it would be a great time to share some ways to talk to your preschooler about the holiday.
