April is here!

We will be doing some Spring refreshing in Room 3 this month as we review the letters we have learned so far this year. We will make sure we have the ability to identify upper and lower case letters, be able to trace and write each letter independently and recognize the sounds that each letter makes.

As we continue to work hard we have some amazing projects in the works that we can not wait to share with you all at **Family Night** on **April 9th, 6-7pm.** Come with your child and let them show you all that they have been working on lately!

Have an AWESOME April ! 🌻

Exciting March News

March was an exciting month for us. The Leprechauns came to visit. Each day they hid in a new spot. It was so much fun to surprise us. Sometimes they tricked us and it was hard to find them. On St. Patrick's day, they left us a little gift of green rocks. We put them in a bowl, poured some magic potion on them. Guess what? They fizzed up and melted. Inside was a shiny gold coin to keep.

The best way that you can reach me is through my email bcosta@sbsenfield.org. You can also call the school at 860-745-6135.

Parent Corner

Please be sure that your child comes to school each day with a jacket. As the weather warms, please remember that it is still chilly outside when we are at outdoor recess. We want to be sure the children are dressed appropriately and comfortable while on the playground.

Mrs. Marshall and I hope you all have a nice April vacation and wish you all a Happy Easter!
