Reminders:

Children should wear sneakers
everyday. If your child comes to
school in boots please pack
sneakers.

Winter is here! Time to dress in
warm coats, hats and mittens so
we are ready for recess. You may
also want to send in warmer
weather clothes for your child's
extra clothes bin for the
classroom.

If your child will be out or has a
change in their schedule please
notify the school office by phone
or email.

We have a lot to smile about!

There is so much fun coming up for our little ones! We will learn about the importance of Christmas and prayer. We will begin discussing advent and what it means and how we can prepare for the coming of Jesus.

We are also learn some cute Christmas songs that we will sing at the Christmas concert. We have been learning the hand motions that go with the songs. The children are very excited for it.

Important Reminders:

At snack time they are allowed to have one snack. This time can go by quickly so we want them to be able to finish their snack. Please make sure this snack is one that will be filling and that they have the utensils needed.

Please send in a stuffed animal that can stay with your child's bedding until laundry day. These items are sent home every other week for cleaning.

What we are working on:

Religion: I Can Care and Christmas

Colors: Red and Green

Community Helper: Police Officers

Clifford:

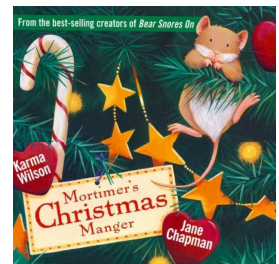

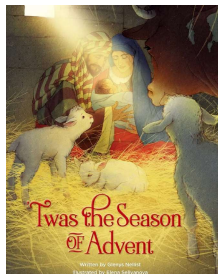

December is a fun month. It is an exciting time for the children but we are asking for your help reminding the children that while we will have fun we still have school and we have to remember the classroom expectations. For example, sitting criss cross applesauce on the rug, not talking while a teacher is talking and staying quiet in the hallways.

We look forward to seeing you all at our Christmas concert on December 17th!

We need your help! We ask that over break you review bathroom habits with your child. Mainly wiping themselves and washing their hands thoroughly.

- Mrs. Vaghini and I want to wish you all a very Merry Christmas and Happy New Year. We have enjoyed working with your children and are seeing a lot of progress since September.
- Please feel free to contact me at any time with any concerns or questions.

Parent Corner

This month we found a great article about routines through out the Holiday season. I hope you all can take away something to help with your children during this time of year.

Advent:

Each morning all our classes meet in the hallway at our collaborative bulletin board which has been transformed into a large advent calendar. We will talk about advent and reveal a new piece of our nativity scene.
