If your child will be absent for any reason or there is a change in their schedule, please notify the school office.

## Happy New Year!

We hope you had a wonderful Christmas and enjoyed some time off with your family. We are excited to begin the New Year together! Our conferences are right around the corner. More information about them will follow later this month.

We have a lot to learn this month! Our religion program will be centered on how God made us active and healthy. We will learn about ways we can keep ourselves healthy and happy.

It may be cold, but there are so many happy days ahead!

The best way that you can reach me is through my email at [BCosta@sbsenfield.org](mailto:BCosta@sbsenfield.org). You can also call the school at 860-745-6135, where Leesa will forward any messages to me.

## Important Reminders:

Please start helping your child become independent with putting on and zipping their jackets. We have talked about a trick to help them with this. You lay your jacket down, stand at the hood end, put your arms through the sleeves and flip it over your head.

## Inclement Weather Procedures

We follow Enfield Public Schools for closings, delays or early dismissals due to inclement weather. If there are changes to our regular school day you will receive a call from Mrs. Mongillo or Ms. Leesa with a detailed message. A notice will also be posted to the school's Facebook page. The town of Enfield does have a closing information line, that number is (860)-253-5170.

Our inclement weather policy is as follows:

If Enfield Public Schools announces any type of delay Little Angels will ONLY have a **90 minute delay** and there will be no CUBS. School will begin at **10:30 AM** for all students. If Enfield Public Schools announces any form of early release Little Angels will be dismissed at **12:00 PM** and there will be no ACES. If Enfield Public Schools closes due to weather then Little Angels will be closed as well.

## Sick Policy

Please keep your child home if they are not feeling well. If your child has a fever they must be fever free without fever reducing medication for 24 hours prior to returning to school. They also need to be vomit and diarrhea free for 24 hours in order to return to school. We want to keep everyone and our school healthy this winter.

## Parent Corner

This is a great article to show the importance of being the decision maker at home and sometimes the words Because I Said So, needs to be said and followed. This article tells of why it is important.
