

MARCH

Grateful Hearts | Helpful Hands | Happy Days

Important Dates:

March 16: St. Patrick's Day Celebration - Wear **Green** to School

March 24: NO School - Staff Professional Development Day

Looking Forward:

April 2: Holy Thursday - Early Dismissal
All Students Dismissed 12pm-No ACES

April 3: Good Friday - NO School

April 8: Family Night 6-7pm

April 13-17: Spring Break

Registration forms for SY26-27 were sent home last month and are due back by March 16th.

Please return promptly to ensure your child's spot.

Reminders:

In March, the weather can be unpredictable. We are hoping to be able to get outside on our playground if the snow ever melts! Either way, PLEASE make sure your child has a coat, mittens and hat everyday still. If they wear boots to school please pack sneakers for them to change into.

If your child will be absent for any reason or there is a change in their schedule, please notify the school office.

100 Days of School

Spring is Coming

Spring is due to start in a few weeks. Although it doesn't feel like it, this snow has to stop. We need to get outside to release some energy.

As spring will eventually bring warm weather, we tend to see some big changes in our children. They are coming along with their fine motor skills. They are writing their names, coloring in the lines and even cutting. We are so proud of them. Next month, you will get to see all their hard work on display on Parents Night.

What we are working on:

Dr. Seuss week begins on Monday. We will be reading his books all week and doing some fun projects to go along with the books.

We are focusing on the numbers 9 and 10 for the month.

Alphabet Letters: We are finishing up letter J then K, L, and M will follow this month.

Religion: We are learning how to be good helpers and kind to others.

Clifford:

St Patrick's Day!

We will be celebrating St. Patrick's Day at school on **MONDAY, March 16th!** The children may wear some **GREEN** other than their school uniform!

Spring is Coming! Have Faith!

As we begin March, I would like to share some pictures of the last month with you. They are from our 100 days of school and Valentine's Day.

We talked about Lent and the children were very interested in ashes. Each day we pray to Jesus and they are learning how to bless themselves.

Parents Corner

Please have the children stay off the snow & ice! We know it is tempting and fun for them but we want to make sure everyone stays safe. Our sidewalks should be used at all times. We can not stress this enough. As the snow melts it will be very wet and muddy and we don't want to track that into our school or want your child to have wet feet all day.
