## Spring Weather is Finally Here!

The nicer weather has arrived and with that so hasn't Outdoor Play! We have been waiting all winter for this. All their cheers, squeals and laughing can be heard throughout the town! Everyone loves to be outside!

We can not believe how fast this school year has gone by. It has been a pleasure watching your child grow and learn in Room 3. Mrs. Vaghini and I wish all of our students and their families a wonderful summer!

### Reminders:

Sneakers are **required** every day!

Spring is here! The weather is always changing. Our morning recess is early and it is still chilly out so please send your child to school with either a sweatshirt or jacket each day. We will not make them wear it if it is warm enough; especially in the afternoon.

Folders should be checked and emptied daily.

## Pond Life

Spring is here and it is beautiful outside. This month we will be learning about pond life. We are decorating a huge bulletin board dedicated to pond life. We just finished making cat tails and we put a few lily pads on the board. More will be added as the month goes on. There are so many activities we will be doing for ponds and animals fish and frog have now moved into our pond habitat.

## Visits

The Mystic Aquarium visited us at in April. We learned all about Hermit crabs, sea stars, sea urchins and periwinkles.

We are looking forward to our visit from Riverside Reptiles at the beginning of June!
