## Reminders

- Please send your child in with a reusable water bottle. The warmer weather is upon us and it is helpful when we are outside.
- **Jackets should be worn to school everyday.** It is still chilly during outdoor recess.
- Our uniform should always have gray bottoms with their uniform shirt.
- We do like the children to wear sneakers everyday. **Also keep in mind that they are sneakers they can put on and fasten on their own.**

## Shining Stars

Griffin - 4/3 Emma - 4/10  
AJ - 4/4 Makenna - 4/24

## Hello April

The children really persevered throughout our Mother Goose on the Loose unit. We cannot wait for you all to come have a glimpse of their hard work during Family Night on April 9th.

The rest of this month we will start our mini unit on weather. Mrs. Boucher and I can not believe how quickly this school year is coming an end. I am sure you hear lots of talk about listening and following directions, as we talk about these two skills often. A friend of mine that is a kindergarten teacher talked about how important these skills are to finding success in Kindergarten.

Happy Easter!

# What is happening in our room:

**Apr 1-4:**

**Religion:** God Made Water

**Letter of the week:** Yy

This week we will be finishing up our unit on Mother Goose on the Loose. We will be finishing up our book pages and any projects that we have not completed at this point.

**April 7-11:**

**Religion:** Easter

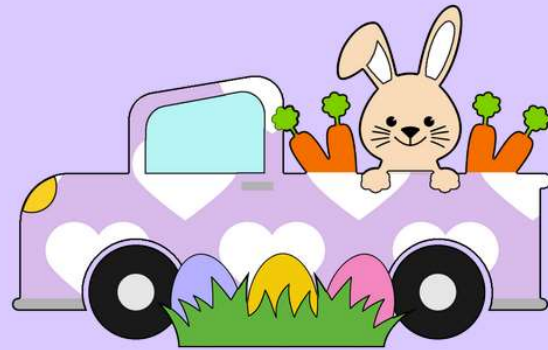

**Letter of the Week:** Zz 🐰

This week will be preparing for Easter. We will read fun stories and explore some bunny songs.

- The children will create a beautiful sunrise on a paper plate. The children will have to follow directions to paint it correctly.
- The children will explore our new glitter watercolors to create a beautiful Easter Egg.

**April 14-18**

**Spring Vacation- No School**

**April 21-30**

**Religion:** God Made Flowers and God Made Fish

**Clifford:** Who Picks up the Trash?

**Letter of the week:** Review Nn-Zz

We will be exploring spring weather. Weather is forever changing this time of year. We will explore weather books.

- We will celebrate Earth day by coloring a large coffee filter with blue and green and seeing what happens when you spray it with water.
- The children will color, cut and put together a sun.
- The children will create a raindrop suncatcher.
- The children will create a windsock.
- The children will create a cloud and thinking about what it might look like in the sky.
- The children will learn about the water cycle.
