Hello February

I always look forward to the start of a new month. The room changes and has new activities for the children to explore. It also means everything they have been working on will come down and go home and be shared with you. The children are so proud of the work they have completed and love when it is time to take it home. We are starting to ask them to do more than they have in the past. We tell them it is our job to get them ready for kindergarten and that new and challenging activities will help them to be ready for that challenge.

SBS Kindergarten enrollment will start this month. If you didn't attend their open house on February 1st and would like more information please let us know! Also, if you know anyone looking for preschool this coming school year please send them our way! Enrollment for the 2026-2027 school year is now open.

My email: lhurlburt@sbsenfield.org

This month in our classroom:

This month we will starting multiple author studies in preparation for our family night at the beginning of April.

February 2-13

Letter of the week: Pp and Rr

Religion: God Made the Bible, Valentine's Day

Clifford: How to be a Good Friend

Over the next two weeks, we will explore the books of Laura Numeroff. These are the If You Give a Mouse a Cookie books. We will read these stories and sequence what happened first, second, etc. The children will follow directions to make a fun craft..

As always we will work on our name game craft. This month the children will make penguins and they will be juggling snowballs that will spell out their name.

During the second week, we start and end with fun days. Tentatively, the 100 day of school is on Monday. We will be searching for 100 small objects to find and count to 100 together. We will split into two groups and see what each group can work together to build with 100 plastic cups each. Jack Hartman has fun exercise videos counting to 100 while exercising.

The rest of the week we will be talking about Valentine's Day with fun math and craft activities.

February 18-27

Letter of the week: Qq and Ss

Religion: Lent - This chapter really discusses how we can do extra helpful and kind things to keep Jesus in our heart

God Made Water

Clifford: Let's Brush together

This week and a half we will explore books written by Mo Willems. We will get to know his friends Pigeon, Elephant and Piggie, and Knuffle Bunny. We are still deciding how the children will create these friends but I know we will have lots of fun with these stories. We will also be adding in a lot of math and abc activities to go along with our author studies. We are very excited to see our ideas evolve through your children.

Inclement Weather Policy

- We follow Enfield Public Schools for closings, delays or early dismissals due to inclement weather. If there are changes to our regular school day you will receive a phone call with a detailed message. A notice will also be posted to the school's Facebook page. The town of Enfield does have a closing information line, that number is (860)253-5170.
- Our inclement weather policy is as follows:
- If Enfield Public schools announces any type of delay Little Angels will ONLY have a **90 minute delay** and there will be no CUBS. **School starts at 10:30 am**. If there's an early release Little Angels will be dismissed at 12:00p.m. And there will be no ACES.
- If Enfield Public School closes due to weather than Little Angels will be closed as well.
