Hello May and is it really almost June!

It is hard to believe the school year is coming to an end. Your children have worked so hard. They write their name so well. They know so many letters and numbers and can count to 100! With the last 6 weeks we want to focus on learning but pop a little more fun in their day. The warmer weather is approaching and we will be able to enjoy the addition of our outdoor classroom. The children will be placed in two groups; first one group will play in centers outside, while the other groups plays in centers inside and then we will swap groups. I have done this before and it truly is a wonderful experience for the students and teachers as well.

In our room:

We are finishing the year with nursery rhymes. It is one of our favorite units. With each rhyme there will be a craft project and also a part where the children will color a poem page and a sequence page and these pages will be collected and made into a book. The children will all leave with a book to remember their hard work.

May 2-31

Religion: Mother's Day, God Made Butterflies, God Made Small Things, Father's Day

Clifford: How Would It be To Live In The Sea, You're So Big Now

Letter of the Week: Reviewing letters and practicing writing numbers.

This month we will start our final unit on Nursery Rhymes. We will explore many Nursery Rhymes. Each Nursery Rhyme we learn we will create a craft and color a poem page and a sequence of the rhyme. These will be laminated and saved to become their own Nursery Rhyme book.

Here are a list of the Rhymes we will explore:

- ✦ Hey Diddle Diddle
- ✦ Hickory Dickory Dock
- ✦ Twinkle Twinkle Little Star
- ✦ Jack and Jill
- ✦ Mary Mary Quite Contrary
- ✦ Itsy Bitsy Spider
- ✦ Mary Had a Little Lamb
- ✦ One, Two, Buckle My Shoe
- ✦ Jack Be Nimble

As always, if time permits we will add to this list.

Graduation

Graduation will take place on May 24, 2024. It will start promptly at 10:00 am. The children can dress up for this event. This is also a early release day.

It is not our last day of school. Our last day of school is June 7, 2024 and it too will be an early release day.

Our last week of school is filled with fun activities and a notice outlining them will go home after Memorial Day.

Parent Corner

Great Ideas to keep your preschooler and their siblings busy this summer.
