## ★ Shining Star ★

**May 1:** Jacob    **May 8:** Bridgette

**May 2:** Julie    **May 9:** Bella

## Hello May and is it really almost June!

It's hard to believe we're already nearing the end of the school year! Your children have worked so hard and grown so much—they can write their names beautifully, recognize so many letters and numbers, and count all the way to 100!

As we enter the final six weeks, we're keeping our focus on learning while sprinkling in a little extra fun. With warmer weather on the way, we're excited to introduce an outdoor classroom experience! Children will be split into two groups—one group will explore and play in learning centers outside, while the other enjoys centers indoors. Then, we'll swap! I've done this before and it's always a hit—so much joy, movement, and hands-on learning. We're looking forward to making these last weeks of school extra special!

## Graduation

**Graduation will take place on May 23, 2025.** It will start promptly at 10:00 am. The children can dress up for this event. This is also a early release day with no after school. Please note this is NOT our last day of school. **Our last day of school is June 9th** and it too will be an early release day.

Our last week of school is filled with fun activities and a notice outlining them will go home after Memorial Day.

## Parent Corner

Great ideas to keep your preschooler and their siblings busy this summer.

## What is happening in our room...

**May 5-31**

**Morning work:** We will start focusing on numbers, dot to dots and focus on name practice.

**Religion:** Mother's Day, God Made Little Things, God Made Big Things, God Made Laughter, Father's Day.

**Clifford:** Outstanding Octopus and Hot Days, Cool Wishes.

This month we will explore insects. We will create a variety of different bugs over the month as well as learn about why bugs are important. The children will use all the skills they have learned this year to create each insect. Whether it involves cutting and tracing, drawing , coloring or painting.
