Parent Corner

PARENT MEETING: Monday September 8, 2025 at 6pm.

One parent is requested to attend. Children are not allowed at this meeting. This should not be very long but we feel it is important.

This month we would like to address snack and lunch. At snack time they are allowed to have one snack. Examples would be yogurt, fruit, veggie, or snack bag/container of their favorite snack. They are hungry when we go to snack so fruit snacks do not make a filling snack.

If your child/children stay for lunch. Let them help in the process. They tend to eat more when they get to pick out their food.

It is great if they bring only 1 water bottle to school. We have filtered water that we can use to refill it when needed.
