If your child will be absent for any reason or there is a change in their schedule, please notify the school office.

## Welcome Spring!

I always look forward to the new month! The children have been doing more and more work independently, we are **SO PROUD** of them! We are working on lots of fun art work and projects that we can not wait to share with you all on Family Night on May 1st!

This month we will celebrate St. Patrick's Day and the start of Lent. We will talk about our blessings and what a great symbol the rainbow is for God's promise to us all! We will be learning more about the changing in the weather and how rainbows are formed in the sky.

Have a Marvelous March!!

## Pumpkin Jack Updates:

BIG NEWS!!! Pumpkin Jack is sprouting new pumpkins! Throughout the year we have watched Pumpkin Jack go from a bright, orange, solid pumpkin to a squishy, moldy pumpkin. Last week we noticed him changing even more by adding new greenery to his home for us to see. The children have been fascinated by Pumpkin Jack all year and we are all excited to see what Pumpkin Jack will teach us these next few months.

## Parent Corner

Easter is right around the corner. We find the children have a lot of questions about this holiday and because of the sensitive nature of this holiday we thought it would be a great time to share some ways to talk to your preschooler about the holiday.
