Reminders:

Sneakers are **required** every day!

Spring is here! The weather is always changing and we will be going outside more! Please send in weather appropriate jackets.

May is here and June is right around the corner!

Wow, how is the end of the school year coming up?! Thank you all for sharing your kiddos with us this school year! It has been amazing to watch them grow so much since the beginning of the school year.

Spring isn't spring without flowers and butterflies so we are super excited to raise our own butterflies here at Little Angels. They will be ready to spread their wings right around the same time our class will be ready to spread our wings and move on to the "big kid class!"

We are so proud of our kiddos!

The kiddos are doing an awesome job writing their names, identifying colors, numbers, letters, and shapes. They have been growing their fine motor skills during centers and art time. Watching their faces light up when they accomplish something new is truly amazing! I am so proud of how far they all have come, academically, socially, and physically. Mrs. Marshall and I are grateful for the opportunity to teach your little ones and help them grow!

Community Helpers: Moms & Dads

Scholastic Books:

We are so happy to have these BEEs in Room 3!

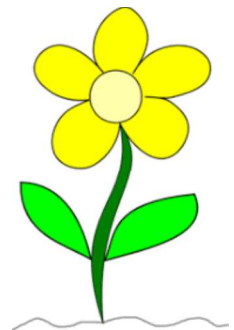

All year we have worked hard to teach these kiddos, above all else, to be good humans. We made a promise to them that we would stick together and that we would help each other learn and grow. The bulletin board isn't just an adorable display of the kids craftiness, it's a message to everyone who sees it that we are most proud of the goodness in each child! Have fun looking at your kiddo's Bumble Bee and know that you have done an amazing job working together to help the school year and your child BEE amazing!!!
