

SEPTEMBER

Welcome to our classroom family!

Important Dates:

August 31: 1st Day of School

September 4: Early Release / No ACES

September 7: No School

September 14: Parent Meeting 6pm

September 26: Color Run

October 8: No School - PD Day

October 12: No School-ColumbusDay

Reminders:

Please be sure to follow our annual calendar for no school or early release days.

We love labels! Please label anything and everything with your child's name on it that comes into school.

If any "back up" clothes need to be used and sent back home, please replace them as soon as possible so we can always have them stored in our class bins.

Children should have sneakers on everyday.

If your child will be absent or there is a change in their schedule please notify the school office.

Please send in a 4x6 picture of your family for our classroom.

Welcome to Room 3!

I am Mrs. Morse and I am so honored that you are trusting me with your precious children! Along with Mrs. Vaghini, we are diving right into class routines and learning how to be a good friend to our classmates. Our classroom theme is Welcome To Our Garden, so we want to see these children grow, spread their wings, and "bee" themselves!

Our first unit is All About Me. We will be getting to know each other and ourselves a bit better this month. We will be talking about the letters in our name in Writing center, drawing self portraits in Art center, measuring ourselves in Math center, and learning about our body parts in Science center.

I am so excited to be here and hope to be a positive, loving influence during our time together!

What we're working on in September:

This first month of school we will be spending a good amount of time on getting to know each other activities, the routines of the classroom, and making new friends. Our themes for this month will be All About Me.

August 31- September 4

This first week we will spend our time together learning how to play in and outside of the classroom, how to clean up when a task is completed, and how to work well with our friends. We will color a worksheet with our name on it.

September 8-11

Religion: I Am Special

This week we will continue learning the routines and expectations of our classroom as well as adding in our religion component. We will begin to learn how in God's eyes, everyone is unique and valued. We will talk about our unique families and draw a family portrait.

September 14-18

Religion: I Can Hear

Letter: Aa

This week we will now also add in our letter of the week to focus on. The students will start working with the letter A in addition to learning about our feelings. We will work on social emotional skills by sorting pictures according to emotions.

September 21-25

Religion: I Can See

Letter: Bb

This week will talk about how God made us and gave us our five senses. We will do science activities where we talk about our senses and sort cards according to which sense they represent.

What are we reading in class?

Find out some of the books we're reading each month as a class in the newsletter to also read at home or have discussions with your child about!

Parent Corner

PARENT MEETING: Monday September 14th at 6pm.

One parent is requested to attend. Children are not allowed at this meeting. This should not be very long but we feel it is important. The meeting is held inside the church.

This month we would like to address snack and lunch. At snack time they are allowed to have one snack. Examples would be yogurt, fruit, veggie, or snack bag/container of their favorite snack. They are hungry when we go to snack so fruit snacks do not make a filling snack.

If your child/children stay for lunch. Let them help in the process. They tend to eat more when they get to pick out their food.
