## Reminders:

**If you have not done so already, please sign and return your child's report card.**

If you send your child in boots, please have sneakers in their backpack that they can put on themselves.

It has been extremely cold lately, please make sure your child is wearing a jacket, hats, & mittens when coming to school and will be prepared for the cold when leaving at the end of the school day.

## Thank you, Thank you!

I'd like to take a moment and thank each and every family who met with me during parent teacher conferences! I truly appreciate your time and ongoing support. It was great to see you all and to set new goals moving forward. Already, these little students are learning to be more capable and independent everyday, and I know this will only continue. We are off to a good start on our new theme, preparing lots of fun crafts to share with you on curriculum night about continents, climates, and animal habitats. To that end we will not be bringing home as many projects until after that special family night on April 8. Mark your calendars now. Hope to see you all again then.

Enrollment for the 2026-2027 school year will be coming home this month. If you hadn't had the opportunity to attend the open house at St. Bernard School on February 1st but are interested in learning more please reach out to them at (860) 745-5275 or call Ms. Leesa in our school office. Enrollment for Little Angels is also open. If you know anyone looking for preschool please have them give us a call!

Teacher: Mrs. Yiznitsky

Paraprofessional: Mrs. Marshall

## What we're working on in February:

This month we will continue our theme of animal habitats within the different continents and areas around the globe.

### February 3 - 7

Religion: Lent

Letter: Pp

This week starts our discussion of the Polar regions, starting with the North Pole above North America where Polar Bears live. We will be cutting & constructing polar bears - 3D style.

### February 10 -14

Religion: Valentine's Day

Clifford: How to Be a Good Friend

Letter: Qq

This week's habitat is the opposite of above as we continue cold weather animals like the penguins who dwell at the South Pole in Antarctica. I wonder what shapes each child will use for their penguin. Plenty of cutting and glueing practice.

### February 19 -21

Religion: God Made Little Things

Letter: Rr

This week calls us into the Rainforests in places around the equator like South America. There will be choices to water color paint parrots or toucans. Another choice is to create a hanging handprint monkey or sloth. We will be transforming our back wall into a tropical habitat. It's also time to learn to rhyme.

### February 24 - 28

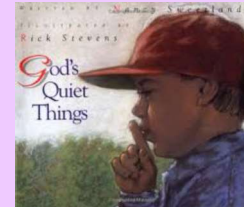

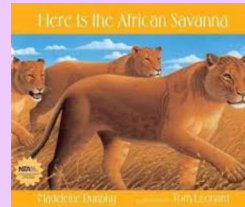

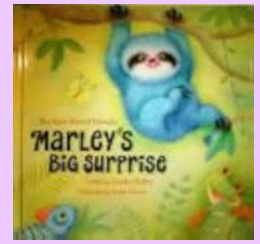

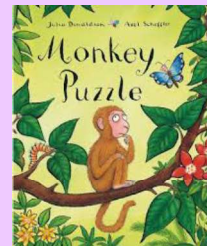

Religion: God Made Big Things

Letter: Ss

Clifford: Let's Brush Together!

Using scissors to cut something slithery in a spiral to add to the rainforest before turning our attention to the Serengeti. Here comes March, which often comes in like a lion, and in this room also with a variety of other large African Savanna animals and our own safari trail upon the windows.

## The Reading Corner

And many other books I will be borrowing from the Enfield Library on the Polar regions, the Rainforest, and the Savanna. The children are eager to learn when they observe the new selection of stories set out each Monday on the new topic.

Enfield has such a wonderful children's library area, and helpful librarians along with our surrounding towns.

## Inclement Weather Policy

We follow Enfield Public Schools for closings, delays or early dismissals due to inclement weather. If there are changes to our regular school day you will receive a phone call with a detailed message. A notice will also be posted to the school's Facebook page. The town of Enfield does have a closing information line, that number is (860)253-5170.

Our inclement weather policy is as follows:

If Enfield Public schools announces any type of delay Little Angels will **ONLY** have a **90 minute delay** and there will be no CUBS. **School starts at 10:30 am.** If there's an early release Little Angels will be dismissed at 12:00p.m. And there will be no ACES. If Enfield Public School closes due to weather than Little Angels will be closed as well.
