What a wonderful school year it has been!

Let me first start by thanking each and every one of our Room 5 families for sharing your beautiful Little Angels with us this year! It has truly been a privilege to see them grow in knowledge, independence, social awareness, and physical skills this school year! From writing their names, to coloring and cutting within the lines, to counting to 100. From zipping their own coats, reciting the Lord's Prayer, singing songs, and identifying rhymes. The list goes on and on. I'm very proud of each one for all their personal growth and accomplishments. My favorite is their love of books and excitement in learning new things. It has been a joy to be part of that beginning journey with them! Our favorite rhyming slogan is - the road to college begins with knowledge! They are on their way.

I wish you all a beautiful, happy, relaxing, and safe summer. You will all be in my prayers that your days are filled with many new memories and lots of sunshine and laughter spent with family!

Graduation

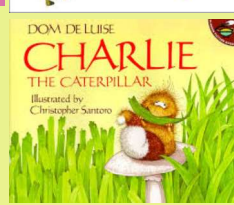

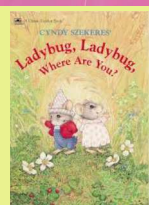

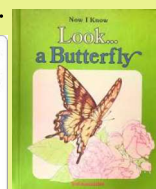

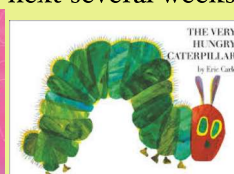

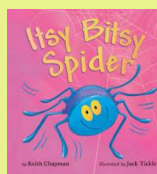

Graduation will take place on May 23, 2025. It will start promptly at 10:00 am. The children can dress up for this event. This is also an early release day with no after school. Please note this is NOT our last day of school. **Our last day of school is June 9th** and it too will be an early release day.

Graduation is only for students moving on to kindergarten next school year. All other students should wear their school uniform to school. It is still an early release day for those not graduating.

Our last week of school is filled with fun activities and a notice outlining the week will go home after Memorial Day.

The Reading Corner
